

```
dealii::GalerkinTools  
::ScalarFunctional< spacedim,  
spacedim >
```

A diagram showing a vertical inheritance chain. At the bottom is a grey box containing the code for incrementalFE::OmegaLagrangeIncompressibility00. A blue arrow points upwards from this box to a white box containing the code for incrementalFE::Omega. Another blue arrow points upwards from the white box to a light grey box at the top containing the code for dealii::GalerkinTools::ScalarFunctional.

```
incrementalFE::Omega  
< spacedim, spacedim >
```

```
incrementalFE::OmegaLagrange  
Incompressibility00< spacedim >
```
