The diagram illustrates an inheritance hierarchy. At the top is a box containing the dealii::GalerkinTools::ScalarFunctional< spacedim, spacedim > class. A blue arrow points down from this box to a middle box containing the incrementalFE::Omega< spacedim, spacedim > class. Another blue arrow points down from the middle box to a bottom box containing the incrementalFE::OmegaWrapper CMF< spacedim, spacedim > class. The bottom box has a gray background, while the others are white.
